

# passport to success:

## the exam session

### workshop outline

This effective workshop has been specifically designed to enable Year 11 pupils to make the most of their revision time and to approach their exams positively

- **changing the perception of exams:** seeing them as the passport to the future your pupils want for themselves, and not as something to be feared
- **planning study time:** making the most of the study time available by studying cleverly rather than cramming
- **memory techniques:** tips and techniques to enable improved memory and recall; core subject-specific; how pupils can use study time to get the most from their memories
- **relaxation:** a vital life skill to enable pupils to maximise their learning potential, both for studying and in exam situations
- **checking-in your brain:** how pupils can optimise their brains' potential
- **personalised passport to success:** all pupils will come away with their own 'passport to success'
